

Cherry Vinyl Protector Technical Data Sheet

Rev 02/22

PRODUCT DESCRIPTION: Beautifies and protects vinyl, leather, plastic and rubber against the elements that cause dulling, rotting, cracking and hardening.

WORKS BEST ON: Use on dashboards, tires, vinyl tops and upholstery, bumpers, weather-stripping, door panels, sports equipment, shoes, boots, purses, boat tops, patio furniture, kitchen appliances.

PRODUCT FEATURES:

Color: White

Water Resistant

Non-Flammable

Non-Corrosive

Storage: Store in a cool, dry environment in unopened container between 46°F and 82°F.

SURFACE PREPARATION: Thoroughly clean all surfaces of grease, oil, traces of paint, dust, etc.

REMOVAL METHODS:

Clean excess with a disposable towel.

Wash hands thoroughly after use.

Helpful Hint: Wipe evenly on a clean surface with a soft cloth. Additional applications give extra protection and luster.

See MSDS for more complete information, safe handling instructions and first aid.
